

MYFAITHVOTES

United. We Stand

Have you felt alone standing for biblical values in America? Do you look around, see the problems in the world, and wonder "what can I do?"

Sadly, in frustration, millions of people choose to sit on the sidelines.

1 in 3 Christians do not vote
that's about **25 million** people

Can I really make an impact?

MFV multi-channel approach encourages Christians to vote through a combination of digital ads and personalized handwritten letters.

These efforts have shown a 57% lift in voter turnout!

Encouraging someone to vote is easier than you might think - if you're rooted in prayer, have the right tools, and the right message to share.

MFV has done the research, all you have to do is write!

MFV has identified Christians who are pro-life and pro-traditional family but who are unlikely to vote. We need your help to contact them before Election Day on November 5.

Don't worry - you're not starting from scratch! You'll receive a letter that's typed and ready to print, so all you need to do is write a short, personalized message at the end. We'll walk you through each step in the process.

My Faith Votes sends the letter, a list of names and a time frame for mailing

Your part - make copies of letter, provide envelopes, stamps
and send the letters in the time frame provided

Ex. I pledged to write 50 letters. I received the letter (see back) and a list of contacts. I need to make 50 copies, get 50 envelopes and 50 stamps, customize the letters and mail the letters when specified. (Instructions tell me to send between Oct 1 and 24th). Can you do the same or more? Do you have group that can handle 100, 200 or 300?

How easy is it to recruit a group to work together to customize and assemble the letters? How many in your community would be happy to donate envelopes and stamps to the cause?
