

The Maury County Republican Party follows the Republican National Committee Platform.

We, the members of the Maury County Republican Party (MCRP) affirm our belief in one God, the source of certain inalienable rights as prescribed in our Declaration of Independence and United States Constitution. Those rights, embodied by all people, each created equal in the eyes of God, being the “Right to life, liberty and the pursuit of happiness,” cannot be infringed upon by our government. We further affirm our belief in those rights as declared in the Bill of Rights, each being of equal importance to the others. We are one nation under God, and in that sense of unity, join ourselves to promote and defend our individual rights, liberties and freedoms. Our focus is to implement an objective matrix of standards and values by which we hold ourselves and our leaders accountable.

WE BELIEVE:

1. The United States Constitution is the Supreme Law of the land and should be strictly interpreted.
2. We expect truth and transparency from our elected officials and appointed boards. The government is of the people and works for the people.
3. In following the Rule of Law.
4. In election integrity and accountability in order to ensure fair and honest elections.
5. In fiscal responsibility and accountability through balanced budgets.
6. That growth should be planned and monitored, paying for itself, so as not to become a burden on taxpayers.
7. We believe in the sanctity of life from conception to death. God alone has the right to determine the number of days.
8. There are two biological genders: Male and Female.
9. In medical freedom, encompassing the rights of adult individuals to make their own informed health choices.
10. In parental authority over their minor children in all respects from informed health choices and decisions as well as school choice and education.
11. In honoring the history of Maury County without revising or rewriting it.

In closing – Freedom is not free. Please remember those who have sacrificed to preserve our way of life – it is your duty to exercise your right to VOTE.

*We require anyone who wishes to run for office as a Republican in Maury County to sign a pledge to uphold the values set forth in this document.*
